

COLORANT

Brown Paper is a corporate entity that manufactures premium Highpressure Decorative laminates, Door Skins, and Industrial grade laminates. With over 3 decades of invaluable experience in the industry, we have created a niche space for ourselves. Our progress has been further supported by the addition of our state-of-the-art manufacturing facility situated in Ahmedabad, the industrial capital of Gujarat, India. We have an experienced team of professional designers that work consistently to create new designs and enhance our catalogue of designs every year. With one eye on the market trends, our team is always a step ahead of the competition and pioneers contemporary designs. The amalgamation of these efforts has allowed Brown Paper to excel in the laminate industry.

The Indian Green Building Council (IGBC), part of the Confederation of Indian Industry [CII] was formed in the year 2001. The vision of the council is, "To enable a sustainably $\,$ built environment for all and facilitate India to be one of the global leaders in the sustainably built environment by 2025"

ISO 9001:2015 is an international standard related to quality management system, applicable to any organization from all types of business sectors and activities. ISO 9001:2015 is based on eight management principles (all fundamental to good business practice). When fully adopted, these principles can help improve your organizational performance.

BIS is the National Standard Body of India established under the BIS Act 1986 for the harmonious development of the activities of standardization, marking and quality certification of goods and for matters connected therewith or incidental thereto. $\ensuremath{\mathsf{BIS}}$ has been providing traceability and tangibility benefits to the national economy in a number of ways - providing safe reliable quality goods; minimizing health hazards to consumers; promoting exports and imports substitute; control over proliferation of varieties etc. through standardization, certification and testing.

The Singapore Green Label is a seal of endorsement on its environmentally-friendly claims to prevent the abuse of green-washing. This has proved to be advantageous for Green Lable certified products that have become more marketable and readily $% \left(1\right) =\left(1\right) \left(1\right) \left$ accepted by consumers or businesses when making a purchase.
