OUR STORY

With over three decades of manufacturing expertise, the team at Ace Mica is dedicated to revolutionizing the Indian laminate industry. Under the visionary leadership of Chairman Mr. Shankar Kanoi and Mr. Mukesh Kanoi, Ace Mica has consistently reached new heights of success.

Our commitment to excellence is evident in the significant investments we've made to integrate cutting-edge technologies into our manufacturing facilities. This ensures that only the highest-quality products are delivered to our valued clients. At Ace Mica, we pride ourselves on the fusion of experience, leadership, and modern technology to set a new standard in the laminate industry.

Currently, we proudly export our products to 10+ countries and are on a trajectory of continuous growth. At the heart of our success is our ability to cater to the unique and specific requirements of our customers. Our commitment to 'Global Export' not only reflects our expanding reach but also underscores our dedication to providing tailored solutions that meet the diverse needs of our international clientele. It signifies our promise to go beyond borders, providing not just products but meticulously crafted, tailored solutions that resonate with the diverse and unique needs of our international clientele.

The Star Export House certification a symbol of excellence, reflects our adherence to international quality standards, ethical business practices, and a commitment to delivering products of exceptional value.
