About Us

We present this catalogue with our latest collection of The Door Skin design to meet a customer's taste & preferences.

The Door skin makes it easy to continue your style throughout your home. Our range will compliment and enhance any interior decor and allow the look you choose to flow from the one room to another. The Door skin advanced manufacturing process has revolutionised the way doors are designed in India. With superior material and advance control systems you are assured of quality door mica that will add value & character to your home & offices.

We urge each one of you to join hands in making our Earth green by cutting down on unwanted circulation of folders.
